

Become a Resident

Saunders House welcomes all interested families for a tour and informational meeting with a member of our admission staff. Please call Kim DeLuca at (610) 658-5104 or e-mail her at kdeluca@saundershouse.org to learn more about Saunders House and to set up an appointment.

Once a family expresses interest in having a loved one live at Saunders House, the case is reviewed by the admissions committee. Upon approval of the admission, necessary paperwork is completed and admissions staff notifies the hospital or a family member to arrange for the arrival of the new resident to Saunders House.

In preparation for the resident's move, admissions staff provides all pertinent information to the nursing and office staff. Every action is taken to make the transition for new residents as smooth and comfortable as possible. All residents are assigned a member of the management staff as a personal point of contact throughout their stay.

The Saunders House daily rate includes:

- Private or semi-private accommodations
- Three complete meals and a variety of snacks prepared by our expert food service staff
- Customized diet supervision
- Skilled nursing care ranging from assistance with personal grooming to guidance with daily activities
- Comprehensive therapeutic recreation program

Extra expenses may include:

- Daily newspaper
- Personal laundry service
- Hairdresser/barber services
- Telephone*
- Television*
- Medications and some medical supplies
- Purchases at the gift shop
- Transportation and a companion for medical appointments

*included in the daily rate for sub-acute care
